### *What a Year!*

- We started out the year with a bustling Little Lambs store before the shut down
- In April we began to offer pick-up orders to keep our staff and clients safe
- We collaborated with partners to offer a variety of virtual classes for clients to earn vouchers such as Safe Sleep, Parent Support Groups, Nutrition Education, Budgeting Tips, and more.
- We offered nearly 200 necessary car seat inspections (outside with masks)
- Our Annual Fashion Show was cancelled, so instead we held a Virtual Stock the Store and introduced a new initiative this year: New Client Care Packages
  - ◆ We have first time clients come to the Little Lambs store each week, but many of them have 1-2 vouchers so they can only 'purchase' a small item. To welcome and encourage these clients to return, we are offering a package with diapers, wipes, outlet covers, and donations from our sponsors along with health and safety information.

**We also want to give a HUGE Thank You to our dedicated Board Members and Volunteers, especially Pam, Jan, Shaina, Madison, and Eric. We could not have made it this year without your help!**
