Little Lambs is excited to share that we are participating in **Walking for Dreams** again this spring! The matching donations are a huge help for Little Lambs, and we would love if you would support us as a Sponsor, Team Member, and/or Walker. Contact us at littlelambs.evansville@gmail.com or (812)425-5262 for more information!

2019 - At A Glance

- Little Lambs was busy hosting classes throughout the year, including CPR, Safe Sleep, Budgeting, Community Safety, Taking Care of Mom, Dental Health, & many more!
- Members of the Tri-State Medical Alliance (TSMA) prepared and served a tasty Mother's Day brunch to clients and families.
- Our Little Lambs in Chic Clothing Fashion Show was a great success. We loved hearing all of the wonderful things our Partner of the Year, ECHO Community Healthcare, is doing to help our community. The children showed their style on the runway and the money we raised helps stock the Little Lambs store with parenting essentials.
- The Discovery Fair, sponsored by Anthem, CareSource, and MDwise, gave clients and their families more info about our partners, current safety practices, and fun activities for the kids.
- Through our car seat inspection appointments and clinics, 275 children were correctly fitted in their carseats.
- Santa had a blast talking to and taking photos with Little Lambs families at our popular Cookies with Santa event. The little smiling faces make all of our efforts worth it!

Thank You to our Generous Donors!
